RECD and for sale cheap at 54 Main street by

july21 3m GEO M BAYDEN.

DR. I. FRANCIS' OCCULUS-AQUA,

OR Specific for Diseases of the Human Eyes—In presenting to the afflicted Dr Francis celebrated Occulus-Aqua the Proprietor is conscientiously actuated by a sense of duty, and a feeling which tells him he will be the means of alleviating the sufferings of his fellow creatures

This remedy is known it has been tried—and has succeeded, in cases where hope had fled, and where perpetual loss of vision was replete setting in! It has succeeded in cases where the Faculty of Medicine had declared the sufferer to be incurable See Certificates

The object of the Proprietor in thus openly and candidly placing his remedy before the community, is that it may be known to all and that it may prove a balm of healing to the desponding and afflicted.

Francis' Occulus Aqua is adapted to all inflammatory diseases of the Eyes, even when in their most tedious and chronic stages—it is adapted to all kinds of nervous affections, inability to use the eyes, weaknesses of sight opthalmias, &c It will also remove, by a judicious course, those nebulous scaly, dazed cloudy appearances frequently known by the name of Cataracts"—Finally, all those inflammatory and nervous diseases with which the organs of vision are attacked, would invariably be treated by this inestimable remedy

The Specific is put up in bottles, with complete directions for use Advice is cheerfully given free of charge at the Proprietor's house, where alone the Specific can be procured, in the city of N York.

Proteus' hours from 7 to 12 A M and from 2 to 5 P M, 10 Barkley street, June 12 1838.

P S It has been thought advisable to annex a few certificates from Gentlemen, whose station in [illegible] and acknowledged worth are sufficient vouchers for the accuracy of their statements To make any comments on them would be unbecoming to the judgement of the reader, and the unblemished honor of the authors.

From the Rev Mr Barnes, Pastor of the church at Bridgeville N Y This is to certify that a gentleman with whom I am acquainted, who had been nearly blind for eight years after expending several hundreds of dollars on various remedies, with a view to relieve himself, was at length prevailed on to try one bottle of Dr Francis' remedy. To the astonishment and gratification of his friends, after using it though a martyr for many years to this distressing malady he recovered his eye sight and speedily did he improve in health till he recovered his perfect vision"

Another case was that of a poor man, who spending nine months in the Eye Infirmary, was discharged by the physicians of the Institution, with what they termed an incurable cataract on one eye so that he was nearly blind. A trial of Dr Francis' remedy, however (three bottles only being used by him) removed it, to the surprise of all who knew him and now he can see with that eye as well as he ever did! I feel it my duty to give this information for the benefit of the public.

The Rev J Harrison 41 Thompson street, having procured a bottle of the above for Mrs Harrison's eyes, says, "to his astonishment it has removed the dimness and pain which had been excessive for years, she had used many different eye waters, but they all failed Therefore I hope the public will appreciate its value

JOSEPH HARRISON"

Mrs M Caffrey, No 2 James street, widow of the late Dr M Caffrey having used Dr Francis' eye water, says, "I am happy to state it had the desired effect and I can truly say saved me from absolute blindness, and I hope the public will soon know its value"

The Rev Mr Dunbar says "From the testimony of those who have used the eye water prepared by Dr J Francis I have no hesitation in recommending it to the special notice of the public"

DUNCAN DUNBAR,
Pastor of the McDougal st church

The Improved Enamelled EYES inserted by Dr Isaac Francis cannot be distinguished from the natural and will perform every motion of that organ without giving the slightest pain

DR BRANDRETHS GENUINE PILLS

Doctor Sangrado's system still

Lives in the world, to kill to kill!

THIS system does indeed live still and is practised by the very men who laugh at Doctor Sangrado as a visionary fool The immaculate Faculty!! Let this truth be impressed upon every mind that all pain and weakness proceed from the presence of morbid, stagnant and corrupt humors IN THE BODY by which the circulation of the blood is impeded and that the only sensible method is to remove them from the stomach & bowels, then take

Brandreth's Pills corrected forth
From the pure products of the earth,
They own no after sad allay
They often save but never destroy

BLEEDING ALWAYS IMPROPER,

For the life of the flesh is in the blood Leviticus Chapter xvii V 11 When the properties of BRANDRETH'S VEGETABLE UNIVERSAL PILLS shall have been appreciated bleeding will no longer be thought of as a remedy for diseases for in acute inflammations eight or ten of them will take in the course of two or three hours, more of the impure humors from the body by the stomach and bowels, than bleeding to the extent of forty ounces could possibly have done and it should be remembered that the Pills remove ONLY those particles in the blood which have become poisonous by inflammation, whereas bleeding removes the essential parts also How great the prostration of all the powers after a copious bleeding!!

On the contrary what vigour and strength is felt after a dose of this medicine, the body is indeed [illegible]

[illegible] vitiated humors with a vegetable medicine of this kind which 84 years have proved never to do injury but always good Is the pulse too high? A dose of these Pills will bring it down Is it too low? the same means will increase it to a proper standard Is it tremulous showing nervous excitement? these Pills by soothing the system will always

Those in the correspondence in the United States will be referred to with pleasure to Dr B who have for many years been in the habit of using these pills in their families, and whose constitution in consequence are becoming weaker and weaker But who since they have made use of these Pills have never lost a drop of their precious blood When every other remedy has failed instead of causing to a Doctor and taking a vein opened they have swallowed six or eight Pills which soon removed the cause or that accumulation of humors which was the cause of the complaint in the first instance—these are the principles for the general practice of the Pills increasing every day the powers both of body and mind which is the reverse of bleeding, were both becoming dreadfully injured

The following cases of cure by the use of Brandreth's Pills alone, are submitted with respect to the unprejudiced portion of the Boston public

ASTHMA CURED The following extraordinary case of Asthma which is submitted to seventeen respectable and well known inhabitants of Greenwich Ct deserves by all persons a careful perusal The most prejudiced must own that evidence is on the side of these Pills which by the cures they are daily making show there is no necessity for any other medicine

This is to certify that Thomas S Brown of Greenwich Ct was taken with a cold numb feeling on the 13th of June last He began to cough and raise phlegm and in the course of twenty four hours about two quarts of thick white jelly was expectorated Three physicians in Stamford Greenwich and Sawpits pronounced it a nervous humid spasmodic Asthma and after prescribing for some time to no effect, the Three consulted together and finally declared that they could do him no good; it would and must result in consumption, and death would ensue and that in a very short time. The pain was excessive in all parts of his body and the difficulty in breathing was such as almost to cause strangulation He was reduced to a mere skeleton, and finally gave himself up to death After being in this miserable state nearly two months he saw an advertisement of Dr Brandreth's Vegetable Universal Pills, and immediately sent by Capt J Waring of Greenwich for a box, and found relief in the course of a few days which encouraged him to persevere and now having taken them for about four months according to the direction, is entirely recovered, and so far as we can judge, in consequence of taking the above Pills, which we have also used in our families, and have found them invaluable

[TRUE COPY]

To Dr Benj Brandreth

My dear Sir I write a few lines to inform you that I have been making use of your Vegetable Universal Pills I have been afflicted with a complaint supposed to be caused by PAIN I was subject to a great coldness through my whole system attended with frequent pain and severe cholics, for the year I have also been subject to fits which would seize me the night and when I have come to myself I have been as weak as a child. I am ready to state the facts more particularly and how the medicine acted upon me, at my residence No 17 Sudbury street, to any one who wishes to inquire

I feel the medicine has been of very great service and that the disease under which I laboured have been by it ENTIRELY REMOVED for which I shall ever feel grateful to Providence and to you

THE most safe, efficient and economical remedy for diseases of the Human Constitution, that has ever been discovered.

These Pills are composed entirely of materials extracted from Medical Plants and are warranted not to contain one particle of mercury or any mineral substance Dr Kingley the inventor of this valuable medicine from his knowledge of the human system derived from a long and extensive practice has arrived to the conclusion, that the great and primary cause of most diseases is a derangement in the functions of the liver, or in other words an increased or diminished secretion of the Bile

So well is this understood, that it is common for persons to say when they feel unwell that they are bilious meaning that they have too much bile in the stomach On the other hand, when the flow of bile is diminished, the process of digestion is imperfectly performed, the patient becomes weak and emaciated, because nourishment contained in the food taken into the stomach is not properly extracted, and the food is ejected in a crude state Dr Kingley is confident that the famous Hygean Theory so called that "impurity of the blood is the cause of all diseases," is a great absurdity Every one who reflects upon the subject a moment will perceive that impurity of the blood is a secondary not a primary complaint the effect and not the cause of the disease When the functions of the liver are deranged, and the flow of bile increased it is often taken up by the absorbent vessels and carried into the circulation and becomes mingled with the blood as in jaundice when the patient shows it in his countenance Now this impurity of the blood is caused by an increased flow of the bile and to remedy it you must correct the secretion of the liver and restore it to a healthy state

Dr Kingley has spent much time in experimenting with different vegetable medicines for diseases of the liver and now offers his Universal Family Pills as the best most convenient and cheapest medicine that can be prepared for general use and in offering them to the public he is actuated more by benevolent than pecuniary motives, as the price of the medicine will show

Dr Kingley flatters himself that his long experimenting with vegetable medicines has enabled him to discover the true and only substitute answering all the purpose of mercurials without any of their attendant evils One great quality of his family Pills is that they have the alterative principle combined with their cathartic or operative quality so that they not only cleanse the stomach and bowels by purging but they regulate the liver change the morbid secretions strengthen the digestive organs purify the blood invigorate the circulation, and give tone and energy to the nervous system.

They are mild and pleasant in their operation and almost immediate conviction of their utility from the first dose They can be taken with safety by persons of any age and the feeble the infirm the nervous the delicate are strengthened by their operation because they clear the system of bad humors quiet nervous irritabilities and restlessness from whatever source, and invariably produce sound sleep

The Family Pills are an invaluable remedy for jaundice sick and nervous headache dyspepsia costiveness, sickness of the stomach heart burn all bilious complaints fevers of all kinds and if taken at the commencement will invariably check their progress and save the patient from a protracted and dangerous sickness They are invaluable in nervous and hypochondriacal affections loss of appetite and all complaints to which females alone are subject They operate as a mild and speedy purge, and are a safe and certain remedy for worms in children

I might publish a small volume of certificates but consider it unnecessary as the medicine will recommend itself to all who will take it to it

JOHN KINGLEY

These Pills are put up in neat boxes of two sizes, the small size contains 25 Pills and the retail price is 25 cents the large size contains 60 Pills the price is 50 cents

A VALUABLE REAL ESTATE FOR SALE

The whole of the PHIPSBURGH ESTATE situated in Centre Clearfield and Cambria Counties in the State of Pennsylvania, with all the improvements thereon now offered for sale

THIS Estate comprises about SEVENTY THOUSAND ACRES of Land VERY HEAVILY TIMBERED and in the HEART of the BITUMINOUS COAL FIELD upon which are already established a FORGE for the manufacture of bar iron with all the necessary appendages An efficient and well constructed SAW MILL & SCREW FACTORY with improved machinery at which wood screws of all sizes are manufactured A ROLLING MILL for the rolling of blooms into round rods for wire drawing An AIR FURNACE for heating the blooms An ANNEALING HOUSE A PENNSTOCK with a FURNACE and MACHINE for heading rail road screws A PATTERN HOUSE containing numerous patterns for casting machinery A CUPOLA FURNACE where the machinery of the screw factory is cast, and an extensive country business carried on A BUILDING containing a TILT HAMMER and SHEARS for forging iron A BLACKSMITH'S SHOP and BOARDING HOUSE for workmen A valuable GRIST MILL worked by steam power

Also the PROPRIETOR'S HOUSE beautifully situated, surrounded by a fruit with spacious piazzas front and rear and possessing every convenience calculated for a gentleman's residence A LARGE AND SUBSTANTIAL THREE BRICK HOUSE in the town with all the requisite out buildings A WELL BUILT STONE HOUSE forty two by twenty four set with the land adjoining A LARGE LOG HOUSE calculated for a numerous boarding house FIVE COTTAGES in the village with gardens attached A FARM HOUSE with spacious and well constructed Barn Granary and out buildings and one hundred and fifty acres of highly cultivated meadow land adjoining The whole estate is abundantly supplied with springs of excellent water and stocked with water power sufficient for saw mills grist mills forges furnaces &c It is situated on the Moshannon and Clearfield Creeks about ten miles from the river Susquehanna on the north to which the Moshannon and Clearfield Creeks afford navigable outlets in time of freshets and about twenty five miles from the PENNSYLVANIA CANAL on the southeast to which a highly favorable route is presented for the construction of a Rail Road to the JUNIATA DIVISION of the Pennsylvania Canal through a portion of Huntingdon County abounding in IRON ORE of the finest quality where a number of forges and furnaces have been long established But which are laboring under difficulties from the WANT OF THIS COAL A charter has been obtained for the construction of the rail road THE LOCATION OF WHICH IS COMPLETED and the estimates furnished, preparatory to a commencement of the work The distance from the COAL MINES to the CANAL is only twenty eight miles

The MAGNIFICENT TIMBER upon this estate consists of all the varieties usually found in Pennsylvania, but the WHITE PINE which is MORE PARTICULARLY ABUNDANT in the largest description fit for MASTS SPARS PLANK BOARDS &c. and of EXCELLENT QUALITY The BITUMINOUS COAL is found in every hill—in veins of various thickness viz four feet two inches six feet and nine feet and there are two three or four veins in a hill according to its elevation The quality varies in different situations FROM THE HIGHLY BITUMINOUS SOFT COAL CLOSELY RESEMBLING the NEWCASTLE COAL OF ENGLAND, to a much harder and heavier Coal containing less bitumen LIME STONE, FIRE CLAY and IRON STONE have been discovered accompanying some of the measures, and will doubtless be found to be general upon a more extensive examination A HIGHLY FAVORABLE CHARTER has been granted by the Legislature of Pennsylvania, containing MINING MANUFACTURING and TRANSPORTING PRIVILEGES for a period of SIXTY YEARS authorizing a company to hold this estate in a corporate capacity, and to convey to market its vast resources

Family circumstances however having occurred to prevent the proprietor from individually accomplishing this important enterprise he would be willing to sell ON LIBERAL TERMS the whole property to a respectable company, who would carry out the provisions of the charter to whom of course, he would transfer all its privileges or he would sell the estate in tracts, to suit the convenience of purchasers

The title to this Estate is INDISPUTABLE, and the SALUBRITY of the CLIMATE is proverbial Taking into consideration therefore the immense quantity of the HEAVY and VALUABLE TIMBER upon this estate the presence of IRON ORE the INEXHAUSTIBLE supplies of BITUMINOUS COAL so essential in the GENERATION of STEAM the PRODUCTION of GAS and for domestic purposes and the ARTIFICIAL ADVANTAGEOUS POSITION with regard to its common cost with the SEA BOARD its IMMEDIATE PROXIMITY to a REGION ABOUNDING in the RICHEST IRON ORE in which the WANT of FUEL is already productive of serious inconvenience considering also the highly favorable location of the rail road intersecting the Pennsylvania canal and thus affording the choice of both the Eastern and Western markets and taking into view the many HOUSES BUILDINGS MANUFACTURING ESTABLISHMENTS CLEARED and CULTIVATED LAND thus enabling the enterprising company to commence their operations without incurring the HEAVY EXPENDITURE of money and the DELAY incident to new established ments it is confidently believed that a rare opportunity is now presented for the SAFE and PROFITABLE investment of capital
